SUMMARY:

BCA student with hands-on experience in full-stack web development using Spring Boot and React. Proven ability to translate business requirements into scalable technical solutions. Strong collaborator with experience working on team-based projects, demonstrating problem-solving, adaptability, and effective communication in dynamic environments.

SKILLS:

- Programming: Java, C++, JavaScript
- Web Development: React, Tailwind CSS, Spring Boot
- Databases: PostgreSQL, MySQL
- Tools: Git, GitHub, Postman, Vercel, Render
- Core Concepts: OOP, DBMS, REST APIs, Data Structures & Algorithms
- Business & Soft Skills: Requirement Analysis, Problem Solving, Team Collaboration, Communication

PROJECTS:

- **Student Management System**
- Developed a full-stack web application to streamline student data management and improve administrative efficiency
- Designed and implemented RESTful APIs with JWT authentication for secure and scalable operations
- Translated user requirements into functional backend services and responsive frontend interfaces
- Implemented search and filtering features to enhance usability and data accessibility
- Deployed application using Vercel (frontend) and Render (backend)
- GitHub: github.com/Harpreet-Singh413/Student_Management_System
- Live Demo: student-management-system-two-fawn.vercel.app
- **LeetCode Ranking Platform (LeetBoard)**
- Built a scalable platform to rank students based on coding performance and analytics
- Implementing automated schedulers for real-time data updates and consistency
- Designed backend architecture using Spring Boot and PostgreSQL for efficient data handling
- Collaborating on design decisions and continuously improving system performance
- GitHub: github.com/Harpreet-Singh413/LeetBoard
- Live Demo : leet-board-ebon.vercel.app

EDUCATION:

- Bachelor of Computer Applications (BCA), Netaji Subhas University (2024–2027)
CGPA (Last Semester): 8.9
- Class 12 (CBSE) – 77.4% , Jusco School Kadma
- Class 10 (CBSE) – 89.2% , Jusco School Kadma

ADDITIONAL INFORMATION:

- Active member of Coding Club (CBNCC), contributing to collaborative technical initiatives and peer learning
- Soft Skills: Communication, teamwork, adaptability, problem-solving, Leadership
- Demonstrated ability to work in team-oriented environments and participate in problem-solving discussions
- Languages : Hindi, English, Punjabi
- Address : HN.04, Kadma, Jamshedpur, Jharkhand, India
